

The Junior Service League of Beaufort is delighted to host our annual year-end celebration!

WHAT IS THE JSLB JUBILEE?

Jubilee is a celebration focusing on the Junior Service League of Beaufort's commitment – since 2005 – to our mission: supporting and enriching the lives of women, children, and families in our community.

As is tradition, the event will feature live music, dancing, food and libations, and a silent auction. As an attendee and/or sponsor you can look forward to meeting our 2018 grant recipients, recognizing JSLB's newest honorary members, and learning about the service that our dedicated members give to our community.

Since its founding, JSLB has donated more than \$150,000 to local nonprofits, provided regular volunteers to organizations such as CAPA and Hopeful Horizons, and – with your generous support – hosted three annual events: a blood drive, the JSLB Touch a Truck fundraiser, and the JSLB Prom Boutique – our signature service project.
