Thank you for expressing interest in joining the Junior Service League of Beaufort for the 2021-2022 League year. Since our inception in 2005, JSLB has touched the lives of thousands of women and children throughout the Beaufort community by following our mission:

"The Junior Service League of Beaufort is an organization of women committed to promoting volunteerism. Membership in the Junior Service League of Beaufort offers an opportunity to build meaningful relationships with others who share a desire to give back to our community. Through the talents of our diverse membership we will support and enrich the lives of women, children and families in our community. Together we have a greater impact than we do individually."

Joining JSLB offers you the opportunity to pursue interests outside your home and career, and the skills and training you acquire during membership will benefit you in all areas of your life. The league also offers an opportunity to develop lifelong friendships with like-minded women who share the same desire to make a difference in our community.

By becoming a member of JSLB you are showing your devotion to the welfare of women, children, and families in our community. The current membership can attest to the personal fulfillment that is gained by volunteering and contributing to positive change in our community.

JSLB has chosen to directly serve the following organizations for the 2021-2022 League year:
